

MARIA DELGADO

SUPPORTING- LATINA COP/ TOUGH GIRL

Latina- Mexican descent

29

Female 1

**MICHELLE RODRIGUEZ** in "LOST" <http://www.youtube.com/watch?v=iYnneXm3ppc&feature=related>

Undercover cop/ narc/ Member of Kannon's "squad"

Maria Delgado grew up as the only daughter in a large Latino family. She was always underestimated in her macho surroundings. She had to constantly prove she can be as good as men or even better -- she had to protect her little brothers in the hostile Latino neighborhood.

She grew up to be a beautiful woman who knows how to survive and take care of herself. Even the slightest hint by the guys that she may not be fit enough to handle a man's job makes her tick. They know that well and they like to provoke her.

To her, the guys are like her naughty little brothers who need an occasional slap when misbehaving, but she would give her life for them.

Negatives: Desperately trying to prove a point even if she's wrong: trying to be what she's not.

Latina accent, soft but tough at the same time, maybe even gritty

**INT/EXT INDUSTRIAL BUILDINGS - NIGHT**

Spalina, Barkley, and Delgado arrive on the scene. They ram the Latino barricade with their own cars. Crash CRASH, bullets are fired.

Finally, the calm at the end of the storm..

FADE TO:

Kannon walks up to Delgado and Barkley.

DELGADO

Kate looked pretty shaken up.

KANNON

Can you blame her?

BARKLEY

Lilly okay?

KANNON

Yeah, she's a survivor like her old man.

DELGADO

You should stay with them.  
Let us take care of this guy.

KANNON

You know I can't do that.  
This asshole got personal.

DELGADO

Listen to me, John. I know  
what women want and Kate  
needs you right now.

KANNON

What? You know what my ex  
wants just because you're  
female? Who made you the  
expert?

BARKLEY

Hah.

DELGADO

I'm just sayin', I'd be  
scared shitless right now and  
I'd want the father of my kid  
to be sittin' next to me,  
telling me it's all gonna be  
okay.

BARKLEY

Maria's got a point.

KANNON

No, fuck that. It's not gonna  
be okay unless I take care of  
business. So, I'd be lying.

Spalina drove them to her  
mother's house. Now's our  
chance to move in on this  
scumbag.

DELGADO

You got a plan?

KANNON

You bet I do. We're gonna bust this El Diablo fucker when he least expects it. I don't care what we find. I'll plant evidence if I fucking have to.

BARKLEY

We got your back. Let's go!
