Aud 2	Ugh. Pinkskins.
Aud 4	Go on! Run! More fun for me!
Aud 5	I'm not heartless. I LOVE beating.
Aud 6	Not troll chief, troll <i>king</i> . KING!
Aud 7	There's only one thing I like about humans: they bruise SO easily.
Aud 8	You know what they say about trolls with big clubs.
Aud 9	Man, I love being a troll.
Aud 10	A troll army would be more useful to you than a troll corpse.

Voice Description: Trundle has a deep, gravelly voice. His voice should speak to his obvious physical strength and brawn, but with a level of cleverness and sarcasm greater than that of a typical "troll brute." Trundle is wickedly clever, sly, taunting, and cruel. **IMPORTANT:** Please do not read Trundle as stupid or oafish. This is a deep character with many levels to him, we are not looking for a "dumb troll."

Character Bio: As the most clever and ambitious troll of his kind, Trundle stole a legendary weapon from the legendary Ice Witch to become the leader of his clan. Having claimed his throne, he found himself unsatisfied with small conquest. Upgrading his title to "Troll King," he set his sights on the rest of Freljord and plans to conquer the feeble human tribes that stand in his way.

Oghren (Dragon Age: Origins) - We like the deep, gravelly tone in Oghren. He is obviously a powerful character, but his voice allows for moments of humor and sarcasm.

Grunt (Mass Effect 2) - Grunt's voice is deep and harsh, speaking to both his physical brawn and his level of intelligence.
