

# LECTURES... LABS... WORKSHOPS... SEMINARS...

Voicetrax is both an online and in-person\* voice-over training academy with a robust selection of classes for both formats. For over 30 years we have been dedicated to not just training actors but mentoring human beings to reach their personal and professional goals. Minus the hugs & high-fives, our students have found the learning experience online to be just as instructive, effective, engaging and valuable (*some even say more so, check out the testimonial page on our website*) as our in-person classes, as we utilize all the tools at our disposal including performance recording and playback, breakout rooms for rehearsing, and our all-new hybrid class format where there are both in-person students as well as online students in the same class!

We realize that with the multitude of classes to choose from it may be a bit daunting to know what curriculum strategy would work best for your specific and unique situation. But because we are a school enthusiastically committed to mentoring each student individually, we encourage you to contact our team for guidance at (415) 331-8800. Any member of our team who answers the phone can help you identify the courses that are most appropriate for your needs at each particular stage of your training. *Dear Voicetrax,  
Having a private with Sam recently made me feel like a flower just budding out of the ground who was enriched by the warmth of Sam's love and nourished by her straightforward, insightful and clear direction, which was the water and fertilizer that my roots needed to continue to grow and flourish.
