A Voicetrax Hybrid Interactive Experience

OPEN VOICE-OVER STUDIO

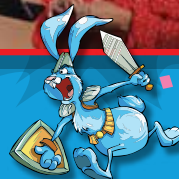

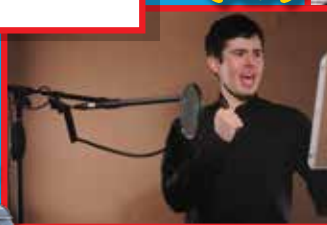

SATURDAY APRIL 6TH
11AM-5PM

Lovingly referred to as Community Day, our last in-person open studio was so much fun, we decided to take this sucker **HYBRID** with attendees both in-person and online. Anyone who wants to work on a script of any kind with a Voicetrax teacher is welcome, from beginners to working professionals.

Come join the school whose legendary individualized mentorship has helped their students voice jobs for the biggest companies in the world...including Disney, McDonalds, Pixar, Blizzard Entertainment, Google, Apple and More.

Email or call us for the Zoom link if you wish to attend hybrid.
